HOW ABOUT ENGLISH?

Seriously Addictive English, or S.A.E, helps your child read fluently and write confidently. S.A.E is based on a leading English enrichment program and uses a structured phonics approach, systematic development of literacy skills and individual learning plans.

The program consolidates reading, spelling, vocabulary, comprehension, grammar, punctuation, planning and independent writing.

WHAT IS S.A.M.?

S.A.M is the largest Singapore Math enrichment program in the world for children aged 4 to 12.

The multi-award winning program is differentiated by its emphasis on developing mastery of math through interest and understanding, over memorization and drilling.

It allows students to develop higher-order thinking skills including problem solving, meta-cognition, critical thinking and logical reasoning.

WORLD CLASS CURRICULUM

Based on Singapore Math with a focus on problem-solving and thinking skills

COACHING APPROACH

Encourage children to explore, discover and build confidence towards math

CLASSROOM ENGAGEMENT

Concrete-Pictorial-Abstract (CPA) Approach and fun activities to learn new concept

WORKSHEET REINFORCEMENT

Guided independent practice to develop math mastery and good study habits

Ages 4-6

Make math fun and develop number sense

Ages 7-9

In-depth understanding and a strong foundation

Ages 10-12
